++ Valid for broadcast between 1800 and 0600

Headline:
Mild but rather cloudy.

This Evening and Tonight:
Probably rather cloudy overall, with this perhaps thick enough for the odd spot of drizzle in places. Some mist or fog is possible locally as winds fall light, although it should stay mild, with frost not expected. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Mild but murky in places, with most areas likely to stay cloudy throughout, with the best of limited breaks in the north and east. Patchy light drizzle dying away. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Becoming dry and settled but rather cloudy in this period. Starting on the mild side, but gradually cooling down, with a tendency towards increased frost and perhaps fog.
